

AIR 1 serves me as well as many other people in our community. AIR 1 is a station that one can always listen to in order to be uplifted. I especially enjoy this station during the day when I want to spend time with the Lord. Air 1 is a station that cares about its listeners and gives advice to almost any problem one may have. AIR 1 is one of the few positive stations that we have in our area and it relates more to teens and young adults. It is the only positive station that does reach out to the young people. And this is the time of their lives that they need it. Young people need to know what life is all about. The public would be interested in keeping AIR1 because it helps reviv them dureing the day. If it is taken away there will be no stations out reaching to young people.
